### **Institutional Distinctiveness**

Gondia Education Society's S. S. Girl's College, Gondia is the first and the only Women's College of Gondia District. It was established in 1970 with only 70 students. The foundation stone of the society was laid down by Late Shri Manoharbai Patel, the Founder President of Gondia Education Society. The college is located in the prime area of the city having pleasant and healthy atmosphere. The college offers a wide range of conventional programme options in B. A., B. Sc. (Home Science), along with the self – supported professional course like B. F. D. (Bachelor of Fashion Design) and M.A. Home Economics, Geography, and Hindi. The college endeavors to prepare its students for fulfilling careers by enabling them to realize their full potential and by inculcating in them the spirit of intellectual enquiry, independent thinking and an ethical mindset. The mainstay of the institution has been to lead a wholesome life by nurturing in them the human qualities as well as professional abilities to emerge as informed and responsible citizen of this globalized world.

Being a pre-eminent educational institution, it is prepared to meet the challenges of rapidly changing tech-savvy world. Institution maintains its distinctiveness by blending technology with classroom teaching. College has upgraded the teaching learning process through installation of LCD projectors in many class rooms. Besides, computers with printers and laptops are made available to all departments for such technology integration. Infrastructure of the college is continuously upgraded at different level such as installation of Internet service providers, Wi-Fi routers, modems, and personnel computers to maintain the network. The college has Wi-Fi access points and wired network. The college has upgraded the laboratory facilities with advanced instrumentation and infrastructure. Moreover, job-oriented programs are conducted time to time beside conventional courses to impart required skill sets and improve employability. Every year meritorious students can achieve new heights of success and students from Arts and Home- science faculties secure ranks in university. These efforts are also strengthening the research aptitudes amongst the faculty and students. It resulted in receiving minor research projects and a good number of publications in journals of National and international repute. All these efforts have enabled the institution to register as one of the leading institutes.

Hence, the institutional distinctiveness of our college lies in rendering quality education in all programs to the students by providing them the following facilities:

- 1. Library with automation facility:** We have a rich library consisting of abundant books and journals which has been automated with Libman software. We have also subscribed number of e- books and journals through the user IDs and passwords provided to them.
- 2. Qualified Staff:** We are very fortunate that college has well qualified and experienced faculty members in different departments. Hence girls students from diverse background are very much benefited from our faculty members.
- 3. Memorandum of Understanding (MOU):** The college has signed one MOU with Pratibha Institute of Business Management, Pune. It inculcates the atmosphere for business minded students.
- 4. Strong NSS Unit:** The college has a strong NSS unit for under graduate students. NSS unit organizes awareness programmes focusing on Gender sensitization, Health camps such as blood donation camps, girls empowerment programmes, road safety awareness programmes, cleanliness drive and tree plantation drives. Some of these activities need community participation. These activities play a vital role in shaping the personality of the students, increase their self-confidence, make them socially aware of current burning issues in the society and practically empower them to handle the critical situations in their life.
