Report on Student Induction Program

3-DAYS STUDENTS INDUCTION TRAINING PROGRAMME FOR NEW STUDENTS

(24/09/2019 - 26/09/2019)

OBJECTIVE

The objectives of the programme is to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature. The time during the Induction Program is also used to rectify some critical lacunas and sensitize them towards exploring their academic interest and activities, reducing competition and making them work for excellence, build relations between teachers and students and overall personality development. The following major activities under the induction programme in which the students would be fully engaged throughout the day for the entire duration of programme, this includes:

1. **Physical activity:** This would involve a daily routine of physical activity with games and sports including yoga which will help them to develop team spirit.
2. **Creative arts:** Every student would choose one skill related to the arts whether visual arts of performing arts example are painting, dancing street play, music etc.
3. **Universal human values:** It gets the student to explore on self and allows one to experience the joy of learning stand up to peer pressure, take decisions with courage etc.
4. **Literary:** Literary activities would encompass reading, writing, debating and enacting a play.
5. **Lectures by Eminent People:** This period can be utilized for lectures by eminent people it would give the students exposure to people who are socially active or are in public domain.
6. **Visits to local area:** This would familiarize them with the area as well as expose them to the outer world.

4) Reprographic service:

The College Library has one Reprographic unit. Library provides this facility to all staff & students in the college. Students should pay 1 Rs. for one copy. All teaching staff also needs to pay 1 RS. per copy for their personal work. Reprographic work is related to college and department they need to come with note written by principal. Reprographic unit is handled by trained supporting staff of library.

5) OPEN ACCESS System:

The college library has open access for the teaching staff, Non-teaching staff, Post Graduate Students and supporting staff. But for all undergraduate students library is

following close access system for the security purpose. Postgraduate students taking the benefits of open access system, they can enter in the stack room and search reading materials which they required. Students should give their ID card to library staff while entering the library stack room.

6) OPAC (Online Public Access Catalogue):

OPAC is also available on Desktop also and M-OPAC is the online public access catalogue which is accessible through mobile. The mobile optimized online public access catalogue, should provide simple search facility against, author, title of books, subjects and the search result should be containing information about the holding of library and availability of the same in concise manner. Through the mobile apps borrowers are able to access networked information that linked by the app.

1) M-OPAC for Users: by this user can access library from anywhere with their smart phones after the login in M-OPAC. Now the "Library Visitor's Management" feature user needs to scan library QR code which is available in entrance of library as Digital entrance in Library.

2) M-OPAC for Library staff: This is for Library Administration, for Library staff. Library staff can use this to do all functioning on smart phone. For the digital collection we have of N-LIST Subscription. S. S. Girls' College library is computerized with LIB-MAN software since 2008 and from 2019 it turn on cloud based library management system. In the year 2020. The LIB-MAN added new feature in its software it is M-OPAC (Mobile online public access catalogue)

All the library transactions are computerized and On-Line Public Access Catalogue has been introduced. Users can search the books details via author wise search, title wise search, subject wise search, and how many copies are available in a particular title and who has taken the books and when it will be returned.

OPAC this service is provided to all teaching staff and students to know better about the library collection. This service is provided through the library software LIBMAN (Library Management software) developed by Master Software, Nagpur.

To avail this facility, five computer systems are kept in reading room for students and staff members, each computer having the OPAC. In future S.S. Girls' College Library will provide WEB – OPAC for their students by which they can access library collection from where they want.

Mentor-Mentee System

Gondia Education Society's S.S.GIRLS' COLLEGE GONDIA Mentor-Mentee Committee (Annual Report) 2019-2020

The mentor-mentee scheme is one of the beneficial procedures of our institution. In the student-centred education system, a teacher plays a crucial role as a mentor who shapes an individual's personality and future. The success of the mentor-mentee scheme lies in specifying a friendly relationship between guardian teachers and students. Teachers took an interest in every aspect to bring the best out of the students, both academic and co-curricular activities. Cooperation between teachers and students is of great importance, students freely discuss their problems/doubts with mentors.

Objectives:

- Clarifying teacher-student communication outside the classroom.
- Maintaining a database of student performance, attendance details, and dropouts.
- Identifying special talents, skills, slow learners.
- Determine and resolving attendance issues.
- Providing constant motivation.
- Identifying learning needs.
- Provision of an encompassing manner individual student record.
- Creating a healthy learning environment in college

Mentor-mentee Committee done following work-

- Allotment of students to the mentor.
- Display of mentor list, class wise.
- Collection of mentor mentee report and preparation of annual report.
- Short listing of the financially weaker students, suggested by the mentors.
- Make format for collecting detail profile of mentees (students).

Mentor (Guardian Teacher) done following work-

- Online meeting and communication with mentees through whatsapp group.
- Conducted minimum one meetings in each semester.
- Selection of group leader.
- Communication through whatsapp group.
- Collect all personal profile of mentees through google form.

The mentor-mentee scheme is one of the beneficial procedures of our college. In the student-centred education system, the teacher plays a very influential role as a mentor who shapes the future of someone. The students' mentoring system was implemented in the college. New mentees are allotted to mentors. Students were mentored by one teacher, who was counseling, guiding, and making efforts to improve student's academic and non-academic performance. The number of students is evenly distributed among all teaching faculties. It was decided to hold 4 meetings in one session. Mentors discussed with mentees during the meeting- Welcoming the mentees and informing them about college rules and regulations, College discipline to be followed on campus, attending regular classes, proper use of mobile on campus, carrier opportunity, Competitive examination, economic problems, hostel problem, discussion of syllabus and general information about exams, previous examination result, examination form submission, scholarship.

Outcomes:

Students freely debated their requirements, visions, and problem.

- Students' personal data is available at Figure tips.
- Students' strengths and weaknesses are easily outlined.
- Shorting of economically more vulnerable students.
- Awareness of discipline and cleanliness in first-year students.
