OUR VISION

Our vision is "Yatra Naryastu Pujayante : Ramante Tatra Devtah". It is clear that we are fully dedicated to our cause of Women's education with the example of Maharshi Karve, the visionary who had started the S.N.D.T. University for women with only 8 students. Again it was a visionary, "Babuji", Late Shri Manoharbai Patel, the Founder President of G.E.S., who started our women's college with only 70 students to impart quality education to them to face the changing world. We have a vision, which Maharshi Karve had, that unless and until women are educated the society cannot go ahead. Women with the power of knowledge is not weak as we empower her with various qualities which make her personality multifaceted and she faces the world with the confidence of a lion as written in our "Vedas". In this backward and semi urban area, infested by naxalites, we will march forward with our vision of women upliftment come what may.

- Late Manoharbai Patel

OUR MISSION

We, At S. S. Girls' College, GONDIA are committed to excellence in Women's Education, empowering personalities, intellectually, artistically and emotionally skills of Head, Hand and Heart and developing responsible members of society.

Smt. Pratibha Devsingh Patil Former President of India

(Smt. Pratibha Devsingh Patil was born on December 19, 1934 in Nadgaon village of Jalgaon District, Maharashtra. Smt. Patil assumed office as the 12th President of India on July 25, 2007 to July 25, 2012. She was the first woman to be elected as the President of India.)

I am glad that the Society has contributed to providing higher education facilities to women, through the establishment of a Women's college. Women's education has a very important place in the overall development of the nation. It not only helps in the development of half the human resource, but by also making a visible improvement in the development of the next generation. It is important for women to be enabled to overcome discrimination and to march shoulder to shoulder with the men folk, for the progress of the country.

Education empower individuals not only to take their own decisions and earn a living, but also prepare them to fulfil their diverse responsibilities in

life. Education enables women to effectively participate in the affairs of the country and, indeed, in their own family. A women's role extends from being an important development and building the nation. A women has been endowed with a special gift from nature to give tender love to her children and family and to keep the cord of love strong amongst relations, which binds the family into a loving, healthy and cultured family. Women, therefore are often described as transmitters of knowledge and architects of the future. Educated women tend to provide better guidance to their children and also promote education of their girls children. Women contribute to the development of a good family, a compassionate society, a progressive nation and a more tolerant world. This role is very important in society, which a woman should never forget.

One cannot think of a well informed society, until its women are educated. Our goal should be to expand the reach of education and ensure that opportunities to learn are within the reach of all women and girls. With this, I convey my good wishes to the students, professors and lecturers of this College. I would also like to thank the College.

Thank you,
Jai Hind

FROM PRINCIPAL DESK

Dear Guardian/ Parents

Your ward is now a student of the most renowned Girls' College. I am here to share your responsibility of her educational development. As you must be aware this college has a reputation in the field of teaching and discipline. Please see that your ward abides by the rules of the college. On my teaching faculty's behalf, I assure you that her future will be shaped with great care.

I request you to pay regular attention to the studies, attendance and behaviour of your ward and make it a point to visit the College in due intervals.

Principal
S.S..Girls'College,Gondia

S. S. Girls' College, Gondia is the first and the only Women's College of Gondia District. It was established in 1970 as S. S. Mahila Mahavidyalaya where S. S. Stands for Shrimati Sarswatibai the late mother of Shri Chintamanraoji Pimplapure of Sagar, whose donation and our Founder President Late Shri Manoharbai Patel's untiring efforts made this dream materialize. Later it was re-christened as S.S. Girls' College, Gondia. Much water has flown down the river since then and thousands of girls have obtained higher education from this institution. It caters not only to the urban but also to the rural and tribal population.

The College is armed with sincere and hard working teaching and non-teaching staff. A beautiful and spacious building with number of Classrooms, Laboratories, Library, Reading Room, Office Rooms etc. is an envy of all. The Junior College has Arts & Science streams. The Degree College has arts & Home Science faculties (B.F.D. included) and we have P.G. Classes in Home Economics, Geography & Hindi. There are Diploma and Certificate Courses in Beauty Culture and Computers run by the College.

We have started a centre of Yashwantrao Chavan Open University for those unprivileged women who want to obtain a degree.

The Academic Session will commence from Saturday, 15th June 2019 Regular classes will start from Saturday, 15th June 2019 except those of Std. B.A. - I, B.Sc. (Home Science) Part - I and B.F.D. - I (These classes will start after the admissions are finalised.)
