5.3.2 STUDENT REPRESENTATIVE COUNCIL

We have an elected Student Representative council to ensure that an independent student perspective is considered in all strategic decision making that affects students like participating in Institutional work culture, advising and supporting the delivery of effective and efficient student support service. Managing and administering student representation at different levels.

AIMS AND OBJECTIVES

- To represent the students of the college Campus in matters affecting their educational experience, and to afford a recognized means of communication between the students and the College authorities.
- To promote and encourage student societies, cultural, sports and social activities.
- To provide and administer such services as are necessary to meet the needs of its members.
- To ensure that students are always at the Centre of the SRC's services and that no member is discriminated against on grounds of gender, color, race, nationality, ethnic group, regional or national origin, age, marital status, sexual orientation, class or political or religious belief.
- To provide on behalf of the student body representation on College Committees enabling participation in the affairs of the institution and to further provide for the student body's full understanding of all relevant issues.
- To encourage co-operation between the student body and the college and other institutions of higher and further education as appropriate.
- To foster good relations between the student body and the wider community at large.
